Acceptable Use Policy

You agree to abide by all applicable laws, regulations and codes of conduct and ensure that any content uploaded or distributed or stored by you does not infringe the rights of others.

All material on the Website and any material sent to you by e-mail or any other form from the Website (the "content") or in anyway relating to the Website belongs to our licensors or us. You may retrieve and display content from the Website on a computer screen, print a single copy of individual pages on paper and store such pages for caching purposes only, all for your personal and non-commercial use alone.

We, or our licensors, own the copyright and all other intellectual property rights associated with the content, save where otherwise stated.

You may not do any of the following without prior written permission from us:

- reproduce other than allowed under this Acceptable Use Policy, modify or in any way commercially exploit any of the content;
- redistribute any of the content (including using it as part of any library, archive or similar service);
- remove the copyright or trade mark notice(s) from any copies of content made in accordance with these Conditions of Use;
- create a database in electronic or structured manual form by systematically downloading and storing all and any of the content. Requests to republish, redistribute or syndicate content should be addressed to: info@jacsolutions.co.uk

You acknowledge that we own the Trade Marks and that you may not use any of them without prior written permission. Other product and company names

Conditions of Use

and logos mentioned or displayed in the Website may be the trade marks, service marks or trading names of third parties.

In accessing the Website, you agree not to:

- impersonate another person or use a false name or a name you are unauthorised to use or create a false identity or e-mail address to try to mislead others as to the identity or origin of any communications;
- modify, access or make available data stored on a computer device which you have accessed through our network;
- make available or upload files that contain software or other material, data or information not owned or licensed to you or collect information about others (e.g. names/addresses) without their prior consent;
- damage, interfere with or disrupt access to the Website or do anything which may interrupt or impair its functionality;
- make any commercial or business use of the Website or resell or commercially benefit from any part or aspect of the Website;
- publish, post, distribute, disseminate, or otherwise violate the rights (including rights of privacy and publicity) of others;
- make available, upload or distribute by any means any material or files that contain viruses, bugs, corrupt data, "trojan horses", "worms" or any other harmful software;
- falsify the true ownership of software or other material or information contained in files made available via the Website;
- obtain or attempt to obtain unauthorised access, through whatever means, to the Website, other services or computer systems or areas of our or any of our partners' networks;
- set up links from any website controlled by you to any Web Page, except to the home page of a particular Website, without our express written permission. We retain the absolute right to prevent you from accessing the Website, without prejudice to any of our accrued rights, where we in our sole discretion consider that you are contravening our Acceptable Use Policy or any other term or condition of these Conditions of Use.

JA Computer Solutions Limited is committed to protecting and respecting your privacy.

This privacy policy sets out the basis on which your personal data will be processed by us as the data controller of your personal data for the purposes of the Data Protection Act 1998 ("the Act"). Please read the following carefully to understand our views and practices regarding your personal data and how they will be treated by us. Information we may collect from you.

We may collect and process the following data about you:

- If you contact us, we may keep a record of that correspondence.

Conditions of Use

- JA Computer Solutions Ltd may also ask you to complete surveys that we use for research purposes although you do not have to respond to them
- Details of your visits to the site and the resources that you access.

IP Addresses and Cookies

We may collect information about your computer including where available your IP address, operating system and browser type for system administration and marketing analysis. These are data about our users' browsing actions and patterns and do not identify any individual. For the same reason we may obtain information about your general Internet usage by using a cookie file which is stored on the hard drive of your computer. Cookies contain information that is transferred to your computer's hard drive. They help us to improve our site and to deliver a better and more personalised service.

Cookies and the information contained in your IP address may enable us:

- to estimate our audience size and usage pattern
- to store information about your preferences and so allow us to customise the site according to your individual interests
- to speed up your searches
- to recognise you when you return to the site You may refuse to accept cookies by activating the setting on your browser, which allows you to refuse the setting of cookies.

However, if you select this setting you may be unable to access certain parts of the site. If you want to find out more about how to disable cookies please see this external third party website: <http://www.allaboutcookies.org/manage-cookies/>
